

## **Accessibility Statement**

Updated October 10, 2022

### *Commitment to Conformance*

The Educational Technology Collaborative (ETC) is committed to ensuring digital accessibility for all people of all abilities. ETC aspires to continually improve the user experience and apply relevant accessibility standards to enhance the experience of our members and potential members.

### *Accessibility Feedback*

As we strive to make ETC a more accessible organization, we welcome your feedback and any requests for accommodation.
